

What significant changes have happened or will happen in your business? Economics, growth, industry shifts, changes in leadership or ownership require a firm grip on top line and bottom line data.

*HG&K helps you have the right information at your fingertips by ensuring that your accounting processes, reporting and forecasting are accurate and timely. Whether you are preparing for a merger or acquisition, rethinking retirement or trying to ride the wave of market volatility, HG&K can advise you on the financial side with the sophistication required for smart decisions.*

*Serving small and mid-sized businesses in a variety of industries, HG&K provides local and multi-state tax, accounting and assurance services. As your needs become more complex, our consulting menu adds to the depth of knowledge and resources available to you — year round. We also take a team approach with your other advisors to ensure that tax and financial decisions are fully integrated with legal, risk management and operational strategies.*

## What Clients Say

*“We have properties in multiple states and in Canada with various partnerships. The people at HG&K have been good team players with my other consultants, providing information we’ve needed when we need it.”*

— Family-owned commercial real estate group, client since 1997

*“The team at HG&K has the ability to draw on their broader experiences through their client relationships, which allows them to offer a business owner insight that the business owner may not have considered. They have helped us develop structure and the strategy behind the structure...”*

— Multi-generational business with tax, wealth management and trust services needs, client since 1995
